Good morning, Valois, hope you are doing well. Any updates to the Dewey Burdock? Has the consultation plan been finalized and I can get a copy and post? thanks

Subject: Late Notification: Missing Summary of Consultation in Tribal Consultation document

It has been 60 days since the End of Tribal Comment period and the Summary of Consultation section is incomplete for Tribal Consultation:

"Underground Injection Control National Historic Preservation Sec 106 Invitation for Formal Consultation on the Proposed Dewey Burdock Uranium In-Situ Recovery Site"

Please update the Summary of Consultation section in the Tribal Consultation document
